§10:121A-5.7 Placement services

(a) The agency shall have responsibility for the selection of approved adoptive parents for a child upon successful completion of a home study as specified in N.J.A.C. 10:121A-5.6.

The agency shall document in the child's record efforts to place siblings together in the same adoptive home; if a child is not to be placed together with siblings who are also legally free or who were adopted previously, the agency shall document in the child's record at the time of placement the reasons that co-placement was not in the child's interest or the factors that made co-placement unfeasible.

3. The agency shall give the adoptive parent(s) a written explanation of their rights and responsibilities regarding the child during the supervision period. Such information shall include, but not be limited to, areas of medical care, financial responsibilities, travel outside the state and any areas where the law requires the consent of a parent or guardian.

4. In instances where an agency that is not certified by the Department is involved with a Department-certified agency, both agencies shall share information and reach a mutual decision on each adoptive placement.

5. The agency shall not disqualify any adoptive parent(s) rejected for a particular child from being considered for the adoption of another child, unless basic conflicts about adoption and/or parenting style are revealed, or the adoptive parent(s) are unable to accept the children who are available for adoption through the agency.

(b) The agency shall provide the following information to adoptive parent(s):

1. A written history of the child, including developmental and medical history and reason(s) for surrendering the child. If the child has special needs, the agency shall provide the applicant(s) with an assessment of the child's long-term needs, along with written information about the availability of subsidy and a list of community resources that provide services to address the child's needs;

2. An explanation that the adoptee may ultimately wish to seek information contained in the permanent record concerning his or her birth family and may in the future attempt to contact the birth family; and

3. An explanation that the agency may contact the adoptive parent in the future to convey updated information about the adoptee's birth family.

(c) The agency shall comply with the following escort and/or transportation
